

Name: Merima Salčin

E-mail: merima.salcin@unmo.ba

Institution: Dzemal Bijedic University of Mostar

**Merima Salčin**, PhD, is an assistant professor, researcher at the Civil Engineering Department at the Dzemal Bijedic University of Mostar, member of the Chamber of Engineers of the Federation of Bosnia and Herzegovina (IKFBiH). She is an active researcher in the fields of construction materials and civil engineering structures, mainly dealing with timber and glue laminated timber. She completed her undergraduate and MS studies in Civil Engineering at the Dzemal Bijedic University of Mostar and obtained her PhD in Civil Engineering at the Dzemal Bijedic University. She is a co-author and author of several research papers.
